

Registering with Katunga Football Netball Club through NetballConnect

All netball player registrations this year will need to be completed online through NetballConnect.

Our club policy requires all junior players to have a minimum of one financial parent member with the club. It is also compulsory that all players/families purchase a Home Game Draw ticket. We ask that parents please ensure the select a minimum of one 'Parent Membership' and a 'Home Game Draw Ticket' from the 'Shop' when reviewing your cart.

The Compulsory Home Game Draw raffle has replaced the club fees which go towards the expenses of running the club such as electricity, insurance, rates, courts, cleaning, uniforms, laundering, trophies etc. which equate to tens of thousands of dollars. So instead of paying an added club fee to contribute to the purchase of these items the compulsory purchase of this raffle ticket helps to cover these costs. The benefit being that it puts you in the running to make some money as well! 😊

Winners are drawn every week of a home game (you don't have to be present to win and all winners go back into the draw for all future weeks draws) with the prizes being:-

First Prize:- \$300 Second Prize:- \$150 Third Prize:- \$100

The Major Prize will be drawn on the final home game:-

First Prize:- \$1,500 Second Prize:- \$500 Third Prize:- \$250

Memberships and payments are to be made online at the time of registration. There are voucher options available for those that are Sponsors, Life Members, Seniors Students (18 or turning 18 this year), Apprentices/Trainees and some family instances. Alternatively, we can also make one available if you are unable to pay the full amount at once and would like to set up a payment plan. Please contact Rach .Howden on 0400 877 409 or Nicole Smith 0400 531 401 to obtain a relevant 'Discount code' for you or your child before you start.

If you require assistance during the membership process please contact Rach Howden at katungafnc@outlook.com or 0400 877 409.

To ensure the club has families full support it is a requirement that all junior players have at least one parent as a financial member of the club. This membership also entitles that named holder to admission of all home games and is not transferable. If two parents are attending both parents should purchase a membership or pay when entering home games.
